

26 June 2023

Dear Parents/Guardians, our partners-in-education

Semester 1 Updates

My warmest greetings to you. I hope that your child/ward had a fulfilling Semester 1 in school. There had been a whole suite of programmes in Semester 1 for your child/ward to meet the developmental outcomes that we wish to see at each level. These included the Cohort Camp; programmes for Sec 1 to 4/5 students; Mother Tongue Intensive programmes and the Academic Support Programme for the graduating students.

In the previous semester, we had the opportunity to come together as a Canberran Family to celebrate and learn more about each other's culture, through the Chinese New Year Celebrations as well as the Hari Raya Celebrations.

As we return to school for Semester 2, we hope that you and your child/ward will look forward to what will be an exciting and fulfilling semester ahead.

Health Related Matters

1. Annual Temperature Taking Exercise

We conduct the temperature-taking exercise at the beginning of each Semester to maintain the school's preparedness to activate the temperature-taking regime should there be a need to. It also serves to educate students to take personal responsibility for their own health and practice social responsibility.

The temperature-taking exercise for Semester 2 will be conducted on **5 July 2022, Wednesday**. Your child/ward should have a serviceable personal ODT available for his/her use at all times of the year and not only for temperature-taking exercises.
