17th December 2021

Programme

1. Welcome and key message by Year Head
2. Administrative Briefing by Year Head

Welcome Back!

Class of 2021

Celebrate Efforts

The N-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

REALIZE THAT YOU
ARE NOT ALONE,
THAT WE ARE IN THIS
TOGETHER AND MOST
IMPORTANTLY THAT
THERE IS HOPE.

Think Opportunities

As you await your GCE N-Level results, there are some possibilities:

- ☐ You are happy that your results meet your expectations,
- ☐ You are overjoyed that your results exceed your expectations, or
- ☐ You are worried/upset because your results fall short of your expectations.

Many pathways and opportunities!

Remember that **everyone's** learning journey is different
but **we** can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

- Stop any unhelpful thoughts or actions that would make you more upset.
- Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is just one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

**Keep a lookout for your friends in distress.
You can support them in the following ways:**

Calm them down

“Are you ok? Calm down, take a few deep breaths.”

Hear them out

“I am here to listen to you.” or “I am here for you.”

Empathise with them

“It sounds like you are disappointed.” or “It seems like this is a difficult time for you.”

Encourage seeking help

“Thanks for sharing. Why don’t we speak with a trusted adult who can help?”

Refer your friend to a trusted adult

“Let’s talk to our teacher or our School Counsellor so they can better support you. Do share your feelings with your parents/guardians too. Would you like me to accompany you?”

Thinking About Your Next Step

**Use 3 Key ECG
Questions To
Help You Get
Started**

Who am I?

The more I know about myself, the better my decisions.

Where do I want to go?

There are many pathways with opportunities for continuous learning and recognition.

How do I get there?

Be resilient, explore various pathways and be open to possibilities.

**SUPER
MOMS
& DADS!**

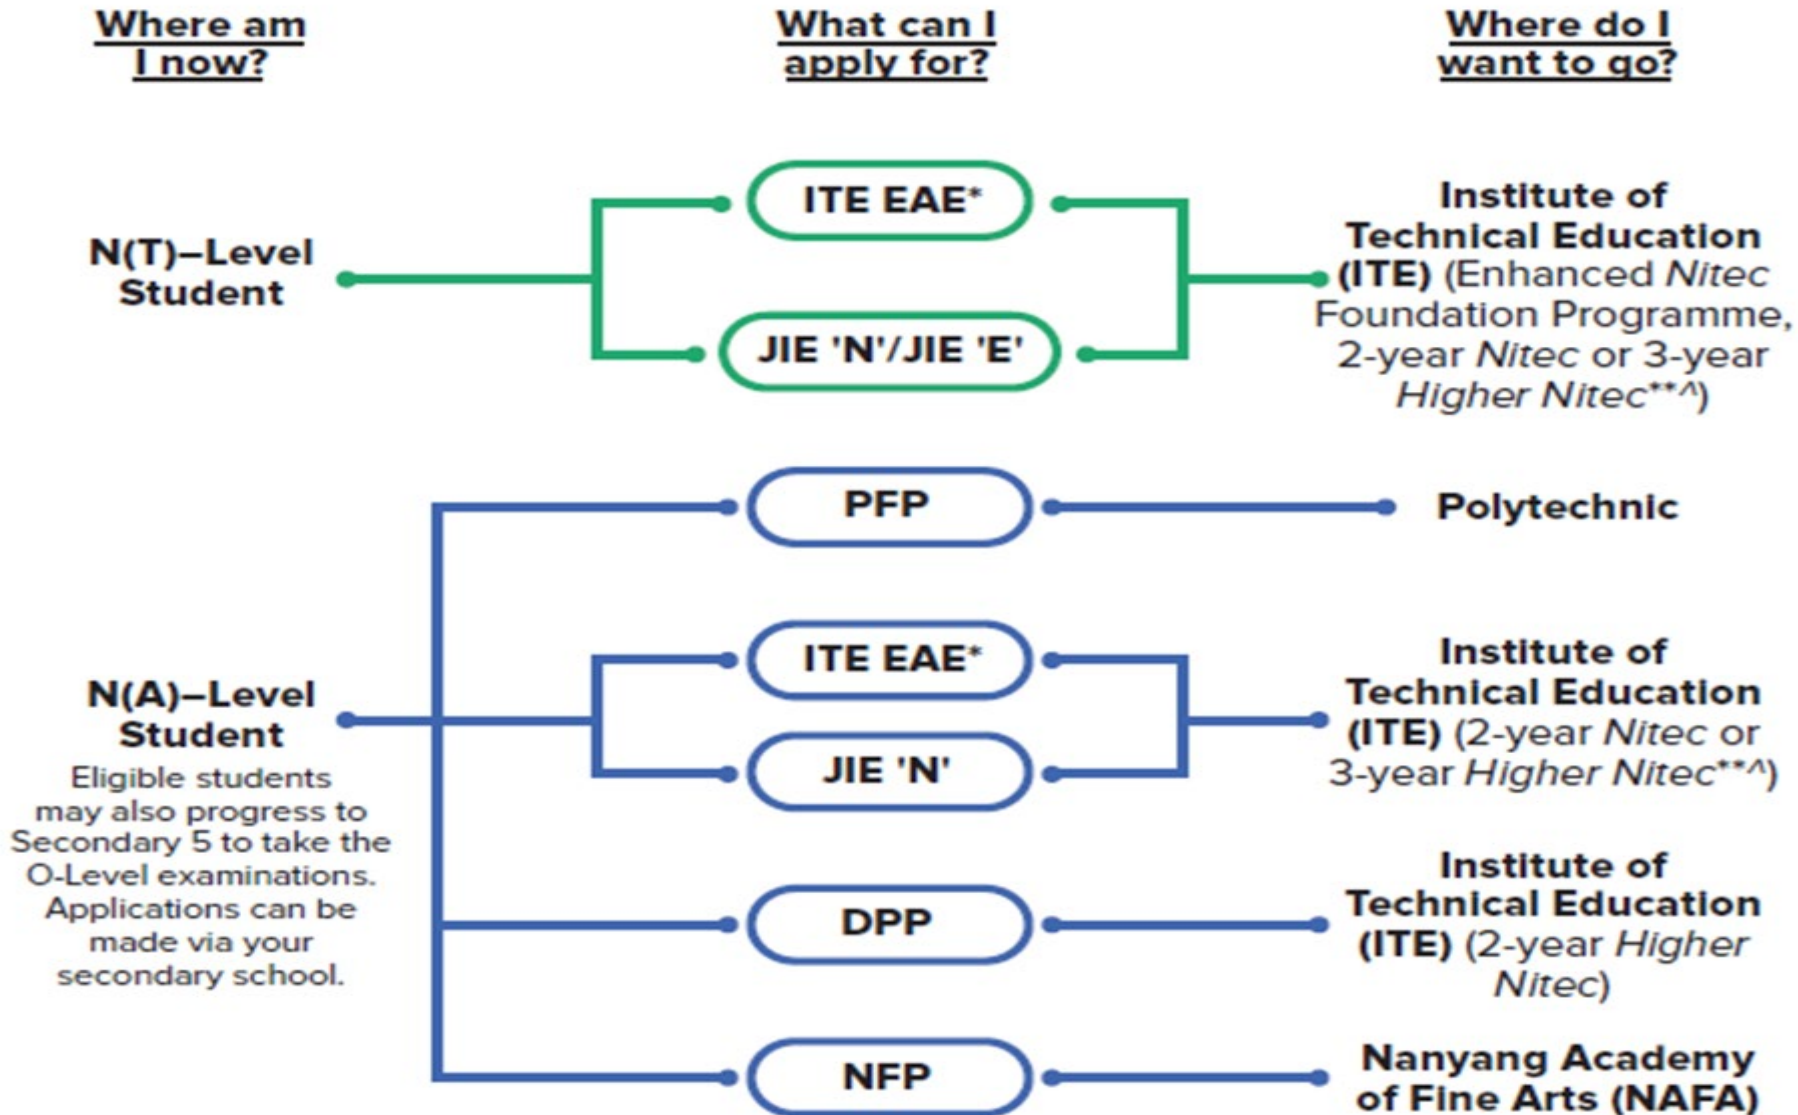

**SUPER
THANK
YOU**

You did it!
Congratulations

**Good Job to Our
2021 Sec 4NA/NT Students
for their Achievements
in the GCE 'N' Level Exams!**

Progression Pathways for 4N(A)

Polytechnic Foundation Programme (PFP)

 - Prepares well-performing Sec 4NA students for progression into respective polytechnic diploma courses
 - Conducted over 2 academic semesters
 - Students who successfully complete the PFP will progress to the first year of their chosen diploma course in the same polytechnic.

Progression Pathways for 4N(A)

Direct-Entry-Scheme to Polytechnic Programme (DPP)

- Sec 4NA students who accept their DPP offers will enrol directly into two-year *Higher Nitec* courses at ITE
- DPP students who successfully complete their *Higher Nitec* courses and attain the minimum qualifying Grade Point Average (GPA) are subsequently guaranteed a place in a polytechnic diploma course mapped to their *Higher Nitec* course.

For students who are only interested in the PFP

- You should progress to Sec 5N(A), and apply for the PFP in January (upon release of the GCE O-Level results). Students who have accepted their PFP offers will withdraw from Sec 5 by the end of January 2021.
- Being eligible to apply for the PFP **does not guarantee a successful** placement into a PFP course.

For students who are only interested in the DPP

- You should apply to the DPP once you receive your GCE N(A) level results.
- Students who have accepted their DPP offers in December should **not** continue with Sec 5N(A).

For students who are uncertain and/or interested in both PFP and DPP:

- **If you are certain that you do not want to continue with Sec 5N(A),** you may apply for the DPP in December. Upon the release of the GCE O-Level results in January, eligible students may apply for the PFP. If you are offered and accept a PFP place, you may withdraw from the DPP.

Alternatively (not advisable),

- You may progress to Sec 5N(A) first.
Upon release of the GCE O-Level results in January, eligible students can apply for DPP and PFP concurrently (however, DPP chances **will decrease** after 1st round in Dec)

Progression Pathways for 4N(T)

Students with **less than 2 'N' Level passes** can apply for the **enhanced *Nitec* Foundation Programme (e-NFP)**

Enter ITE to read *Nitec* courses, which allows progression to *Higher Nitec* or the polytechnics

- Progression to ITE
- Lateral transfer to Sec 4N(A)
 - Grade A for both EL and Math, and Grade B or better for one other subject at N(T)-level in one sitting

Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for *Nitec* and *Higher Nitec* courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the year *Nitec* Programme (eNFP).

If you are eligible for eNFP, make sure you apply for the 2-year *Nitec* first before applying for eNFP!

The eNFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your *Nitec* course!

If you are counter-offered a course, accept it first before appealing to another course you may be more interested in!
