Advice on Electives Selection

Don't choose Electives based on

- 'Who is teaching the subject?'
- 'I want to be in the same class as my friend!'

Choice of Electives should be based on

- Interest
- Results
- Career Choice: Where do I Go From Here?
(Aspiration-driven)

Considerations

**Post – Secondary
Options?**

**Career
Aspirations?**

Electives?

Poly Course?

Passion

**Interest, Aptitude,
Strength**
