Welcome Back!

Briefing Slides for Release of O-Level Results

Dear students,

As we gather here today, let us
all celebrate our efforts!

*Finally, we are going to
get our results!*

Think about your opportunities

*Are we all going to
be okay?*

Remember that **everyone's learning journey is different**
but **we can each have a fulfilling outcome!**

No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Keep a lookout for some of these signs in your peers or yourself.

Joint Admissions Exercise (JAE)

JAE is a centralised posting exercise conducted annually by MOE for holders of the Singapore-Cambridge GCE O-Level certificate to apply for admission to courses offered by junior colleges (JC), Millennia Institute (MI), polytechnics and the Institute of Technical Education (ITE).

JAE Form A contains the GCE O-Level examination results, aggregate scores, student's eligibility for JC/MI application and the eligible Polytechnic/ITE courses of the student.

You may refer to JAE website at <https://www.moe.gov.sg/jae> for more information.

Joint Admissions Exercise (JAE)

To consider all **12 course choices wisely** and make full use of them, where applicable. The choices should be listed in the order of preference.

JCs and MI offer a variety of subjects and different subject combinations. They may also set their own school-based criteria for subjects offered, based on professional and student-centric considerations. Posting to an Arts, Science or Commerce course does not guarantee that students will be able to offer their preferred subject combinations. Students should check the website of the respective JCs and MI for more details on the subject combinations offered in the Arts, Science and Commerce courses and school-based criteria for subjects offered.

Joint Admissions Exercise (JAE)

Beyond academic requirements, students should note that some polytechnic/ITE courses may require students to meet non-academic requirements, such as passing of medical examinations, in order to comply with industry requirements.

These requirements can also be found in the JAE information booklet and students are advised to take these requirements into account when making their choices.

Joint Admissions Exercise (JAE)

During the JAE registration period, students who are unable to submit their choices via the JAE-IS should not visit MOE Customer Service Centre in person. Instead, they can seek assistance using the online JAE Request Form found at www.moe.gov.sg/jaerequestform.

(The form will only be activated during the registration period.)

Joint Admissions Exercise (JAE)

During the JAE registration period, students who are eligible for JAE can also download a copy of the Form A from JAE Internet System (JAE-IS) for safe keeping. Upon successful submission of their choices, the verification slip will be sent to the email address provided by the student during registration.
