Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.
Those who were unsuccessful in EAE are also eligible for JIE.

Apply in the 1st JIE main phase in December.

Use all 12 JIE choices wisely, as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

You are eligible for Enhanced Foundation Programme (EFP) if you receive an invitation letter to the EFP addressed to you and a copy of invitation letter for your parent/guardian.

If you are eligible for EFP, make sure you apply for both the 4-Year and 3-Year Higher Nitec Course.

The EFP helps to build the necessary literacy and numeracy foundations!

If you are counter-offered a course, accept it first to secure a place in ITE, before appealing for another course you may be more interested in!

- ❖ Students need to exercise the **full 12 choices** and include less popular options to **maximise their chances of a successful posting**.
