Considerations

Post – Secondary Options?

Career Aspirations?

Electives?

Poly Course?

Passion

Career

Interest, Aptitude, Strength

DOCTOR

TEACHER

LAWYER

JOURNALIST

ENGINEER

MANAGER

DESIGNER

Some Tips on Electives Selection

Don't choose Electives based on

– 'Who is teaching the subject'

– 'I want to be in the same class as my friend'

Choice of Electives should be based on

– Results

– Interest

– Career Choice: Where do I Go From Here?

Thank you

Any question?
