

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

24 March 2026

Dear Parents/Guardian, our partners-in-education

Welcome to Term 2

Term 1 Updates

My warmest greetings to you. I hope that your child/ward had a fulfilling Term 1 in school. There had been a whole suite of programmes in Term 1 for your child/ward to meet the developmental outcomes that we wish to see at each level. The focus areas for the different levels and list of programmes are as follows:

Sec 1: Focus on Self-Management, Integration to Secondary School & Champions for Family

Learning for Life Programme (LLP) - Community & Youth Leadership – Our LLP is delivered through the L.I.F.E curriculum, a values-driven, community-centred experiential programme grounded in service learning. Through specially curated lessons and experiences aligned to the four stages of life – Life (birth), Infirmed, Frail, and End-in-Mind (legacy mindset). Our Sec 1 students have begun their journey of self-discovery by exploring their roles within their families. Through a series of activities and challenges, they strengthen family relationships in practical ways and demonstrate the school values of gratitude and respect by expressing appreciation for their loved ones. Students have also been given opportunities to share their experiences with their peers, highlighting the importance of family, compassion, and respect for diverse family structures and backgrounds.

Empower Me!: Motivation, Leadership and Study Skills Workshop – “Start Strong, Start Right” - As part of our school’s efforts to support students’ academic development and well-being, HA Academy conducted a workshop for students across all levels. For our Sec 1 level, the theme “Start Strong, Start Right” focused on easing their transition into secondary school through the development of essential self-management skills. Students learned to organise their tasks, manage their time effectively, set achievable goals, and cultivate positive learning habits. Foundational study strategies — such as note-taking, simple revision methods, and the effective use of learning devices — were introduced to help establish strong routines from the outset. A Term 2 booster session will further reinforce these skills and strengthen the habits formed.

Swimming Programme – The swimming programme is an integral component of our Physical Education curriculum, designed to equip all Sec 1 students with essential water safety skills and swimming competency. Following MOE’s review on Outdoor Education, SwimSafer certification has become mandatory for participation in water-based activities during outdoor education programmes and cohort camps from 2026 onwards. Our Sec 1 students participated in a comprehensive 6-session programme conducted at either Bukit Canberra ActiveSG Swimming Complex or Yio Chu Kang ActiveSG Swimming Complex. Under the guidance of Singapore Sports Council qualified lifeguards and supervised by our teachers, students developed crucial water confidence and achieved the SwimSafer certification required by MOE. The programme emphasises building essential life skills whilst ensuring student safety, preparing our Canberrans for future water-based educational activities and fostering a foundation for lifelong aquatic competency and water safety awareness.

Oratorical Workshop - As part of our school’s English Language programme, our Sec 1 students participated in an oratorical workshop organised on 3rd and 10th March 2026. This workshop aimed to build our students’ public speaking skills, preparing them for the demands of the new English Language syllabus whilst equipping them with essential life skills.

Sec 2: Focus on Working with Others & Active Ageing Advocates

Learning for Life Programme (LLP) - Community & Youth Leadership – Our Sec 2 students are given opportunities to advocate active ageing within their families and school community. By investigating community needs, engaging in hands-on experiences, and learning from guest speakers, they will gain insights into common issues faced by the elderly. Working in teams, our Sec 2 students are looking forward to setting up experiential booths during the National Day Carnival to raise awareness of these issues and highlight community-based solutions.

Empower Me!: Motivation, Leadership and Study Skills Workshop – “My Influence, My Circle” - For our Sec 2 level, the theme “My Influence, My Circle” focused on developing positive peer relationships, effective communication, and teamwork. Students learned active listening, respectful communication, and collaborative learning strategies, such as shared note-making and peer revision, to enhance both academic learning and classroom climate. A Term 2 booster session will further reinforce positive peer interactions, strengthen collaborative study habits and renew motivation.

Student Leadership Development Programme – Peer Leadership – Our Sec 2 students attended a workshop on 4 March and 11 March to build on their leadership foundation by developing peer leadership skills. They learn to foster teamwork, think creatively to solve problems, and provide meaningful support to their peers, promoting collective success. Through the Leadership Challenge Model themes of “Challenge the Process” and “Enable Others to Act”, students are encouraged to step out of their comfort zones, seek innovative solutions, and inspire collaboration. These experiences help them grow into confident leaders who empower those around them.

Sec 2 Learning Journey to National Museum of Singapore – Our Sec 2 students visited the National Museum of Singapore for their cohort learning journey. The museum-based learning experience was guided and facilitated by specially-trained museum educators using various artefacts in the museum to deepen students’ appreciation the history and heritage of Singapore. The cohort learning journeys also support students’ learning in History by providing them the opportunities to explore their Singaporean identity, history and heritage beyond the classroom.

Sec 3: Focus on Leading Others & Relationship-Builders (Befriending Elders)

Learning for Life Programme (LLP) - Community & Youth Leadership – Our Sec 3 students have begun to appreciate the value of compassion by volunteering with various eldercare organisations. They befriend the elderly and organised activities to engage and bring joy to them. These experiences will enrich both students and seniors, as students reflect on the importance of kindness, gratitude, and giving back to the community.

Empower Me!: Motivation, Leadership and Study Skills Workshop – “Level Up, Taking Ownership” - For our Sec 3 level, the theme “Level Up, Taking Ownership” addressed increasing academic demands by equipping students with effective revision strategies, workload management skills, and stress management techniques. Students learned strategic revision planning, question analysis, and reflective learning practices to strengthen academic ownership and resilience. A Term 2 booster session will reinforce these strategies, helping students refine their revision approaches, sharpen examination techniques, and sustain motivation as they monitor and improve their learning progress.

Student Leadership Development Programme – People Leadership – Our Sec 3 students workshops where they deepened their understanding of “Inspiring a Shared Vision” and “Encouraging the Heart”.

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

As many of our Sec 3 students are in the process of taking over leadership roles from the Sec 4 leaders in their CCAs, they also gained valuable insights into their own strengths and areas for improvement through this leadership experience. They developed essential leadership skill sets to become People Leaders, learning to nurture a collective vision and inspire others to unite in pursuit of shared goals. This fosters a culture of teamwork and collaborative success within their respective CCAs.

Sec 4/5: Focus on Identifying Goals, Developing Passion and Envisioning Success

Empower Me! : Motivation, Leadership and Study Skills Workshop – “Finishing Well and Preparing for the Next Step” - For our graduating cohort, the workshop focused on examination readiness, resilience, and purposeful goal-setting. Students were guided in study planning, timed practice, error analysis, and effective revision strategies, while reflecting on how their efforts connect to future aspirations. The upcoming booster will further sharpen examination strategies, reinforce disciplined study routines, and renew motivation as students prepare for major assessments.

Educational and Career Guidance – To consolidate their learning and provide better support for our graduating students in exploring post-O Level pathways, they attended the Polytechnic Open House at either Nanyang Polytechnic (NYP), Singapore Polytechnic (SP) or Republic Polytechnic (RP) on 9 January. During their visit, they were guided by polytechnic students across the campus and introduced to the various courses available at both institutions. Lecturers from NYP and our ECG counsellor also shared with our students on Polytechnic and ITE Early admission Exercise (EAE). As a follow up, students will be participating in a Course Advising attachment at Nanyang Polytechnic on 1 April where they will gain insights into different schools, including Applied Science, Business Management, Design & Media, Engineering, Health & Social Sciences, and Information Technology.

For All Levels: Mother Tongue Fortnight

Our Mother Tongue Department organized a variety of experiences aimed at extending students' learning of Mother Tongue Languages beyond the classroom. One key experience is our Mother Tongue Fortnight program, which provides a valuable opportunity for students to immerse themselves in the appreciation and understanding of their respective Mother Tongue languages and cultures through diverse activities.

At the Cultural Booths, students explored traditional art forms such as Chinese calligraphy, fan painting, lantern making, and festive art and craft. These hands-on experiences allowed them to appreciate the beauty and depth of Chinese artistic traditions. Students also enjoyed Traditional Games, including Chinese yoyo, iron-hoop rolling, pitch-the-pot, and spinning top. Through these interactive games, they experienced how children in the past entertained themselves, gaining insights into traditional lifestyles and values. To further strengthen language proficiency and interest, students took part in Chinese Language Games such as puzzles, charades, and word challenges. Booths introducing traditional Chinese medicine knowledge and Chinese etiquette helped students understand cultural practices and values in daily life. Students also participated in in-house competitions, including the Hard Pen Calligraphy Competition, Chinese Character Typing Competition, Picture Description Competition, Passage Recital Competition, and the Lunar New Year Comic Drawing Activity. These platforms encouraged students to apply their language skills creatively while developing confidence, communication skills, and cultural awareness.

Students taking Malay Language can look forward to participating in their cultural experiences in Term 2 in the second part of the Mother Tongue Fortnight program.

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

Celebrating our Students' Achievements

I am pleased to share some of the commendable achievements of our students, in their pursuit of excellence in their Co-Curricular Activities. I am also including achievements from late 2025 that I have yet to share with you:

Name of CCA/Group	Name of Award/Competition	Achievement
National Civil Defence Cadet Corps (NCDCC)	2025 Unit Overall Proficiency Award (UOPA)	Distinction Award
	Precision Drill Competition 2026	4 th Placing
National Police Cadet Corps (NPCC)	2026 SPF-NPCC Badge recipients	3 NPCC Cadets received this pinnacle award
Badminton B Division (Girls)	2026 National School Games	North Zone (3 rd Place)
Badminton B Division (Boys)	2026 National School Games	North Zone (4 th Place)
VEX Robotics	2025 Singapore VEX V5 Robotics Tournament	Sportsmanship Award
	2025 Singapore Spooky Robo Rumble VEX V5 Robotics Competition	Inspire Award

Term 2

Looking ahead in Term 2, our students will experience the joy of learning through a variety of enrichment programmes and learning journeys.

- Applied Learning Programme (ALP) - Our school's ALP aims to provide students with authentic opportunities to express themselves creatively and act responsibly through the use of photography and videography. All our Sec 1 and 2 students will go through cohort-wide trainings to equip them with skills for meaningful application. Our ALP leverages our students' interest in digital content creation to cultivate deeper learning beyond technical skill. It develops their ability to harness technology responsibly and work with determination as they plan, film, and edit their own media narratives. Through purposeful storytelling, students also explore how media can be a powerful platform for empathy, advocacy, and social good. In doing so, it strengthens their 21st Century Competencies in critical and inventive thinking, communication and collaboration, and civic literacy. For those with a keen interest in digital media, the school offers additional opportunities through the Digital Media in Visual Arts Club.

ALP Training Session	Sec 1 Time: 3 pm to 5 pm (Thursday)
Session 1	2 April (T2W2)
Session 2	9 April (T2W3)
Session 3	23 April (T2W5)
Session 4	30 April (T2W6)
Session 5	7 May (T2W7)
Session 6	14 May (T2W8)

ALP Training for our Sec 2 students will take place in Term 3.

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

- Student Leadership Development Programme – Self Leadership for Sec 1s – The Canberran Student Leadership Development Programme follows a spiraling curriculum with a structured three-year plan to equip all students with essential leadership skills and competencies. Inspired by the renowned Leadership Challenge Model (LCM) by Jim Kouzes and Barry Posner, this programme aims to empower Canberrans, nurturing them into future-ready leaders. Our students will attend a workshop, where they will be introduced to the fundamentals of effective leadership through the LCM. They will develop personal leadership skills, learning to navigate new and unfamiliar environments while forming connections with new friends, teachers, and situations. The programme emphasizes the LCM's "Model the Way" practice, guiding students to understand their personal values and set positive examples for others to follow

Our Sec 1 students will be participating in this programme on 7 and 14 Apr 2026, from 3 to 5 pm.

- Oratorical Workshop for Sec 2 students – The English Language and Literature Department has planned an oratorical workshop for the Sec 2 students. This is an extension of the Sec 1 Oratorical Workshop held last year. The workshop aims to equip students with skills in public speaking and build students' confidence in expressing themselves. Also, this will help students to be better prepared for their EL Oral Examination held on 16 April 2026.

Oratorical Workshop Session	Sec 2 Time: 3 pm to 5 pm (Tuesday)
Session 1	7 April (T2W3)
Session 2	14 April (T2W4)
Session 3	21 April (T2W5)

- Secondary 3 Overseas Learning Journey - As part of our efforts to develop students' 21st Century competencies and global awareness, the school will be organising Overseas Learning Journeys for selected Secondary 3 students in May and October 2026. These trips provide authentic cross-cultural learning experiences that deepen students' understanding of global issues, sustainability and intercultural sensitivities.

The details of the upcoming trips in Term 2 are as follows:

Destination	Dates	Focus Areas
Ho Chi Minh, Vietnam	18 – 22 May 2026	Overseas Service Learning develops our students in cross-cultural empathy and regional awareness through community engagement and historical inquiry.
Hong Kong, China	18 – 22 May 2026	STEM Overseas Learning Journey develops our students in global awareness, collaboration skills, critical thinking, and career readiness through cross-cultural exchanges and industry exposure.

Beyond expanding their global perspectives, these trips aim to inspire students to take meaningful action in their own communities. The safety of our students and staff remains our utmost priority, and a parent briefing will be conducted nearer the date to provide key details and safety measures.

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

Finally, Term 2 is the season for our Sec 4/5 students to stay focused on their academic pursuits for the upcoming Mother Tongue Language mid-year examinations.

Academic Matters

1. Home-based Learning (HBL)

Home-Based Learning (HBL) is an integral part of our students' schooling experience, designed to nurture self-directed, motivated, and lifelong learners. During Term 2, students will learn from home according to the schedule shown in the Calendar of Events for Term 2. We seek your support to ensure the smooth implementation of HBL by guiding and monitoring your child/ward in planning and managing their time responsibly.

2. Personalised Digital Learning Programme (PDLP)

All Sec 1 students will receive their Personal Learning Device (PLD) on 26 March 2026. We would like to thank you for your prompt response and support in the purchase of your child's/ward's PLD. Each student has been issued a personal locker at no cost at the start of the year. For added security, we strongly encourage students to bring their own locks and use their lockers should they wish to safely store their PLDs in school.

In addition, every student has been provided with a personal MOE email account (e.g. nameXYZ@students.edu.sg), which will allow them to access the Google Workspace applications (e.g. Google Classroom) using their student iCON email account.

3. Financial Literacy Programme

Our Sec 2 and Sec 3 students will be participating in the Financial Literacy Programme, a one-day workshop held in school. Aligned with our school's vision of *Nurturing Future-Ready Canberrans*, this programme equips students with essential financial literacy skills to make informed decisions for their future. The programme demonstrates the roles that budgeting, credit, and insurance play in securing financial stability.

The following cohorts will be participating in this programme on the following dates:

Date	Time	Level
14 May 2026	3pm – 5pm	All students from Sec 2
26 May 2026	3pm – 5pm	All students from Sec 3

4. Oral and Science Practical Examinations during HBL days

Our Secondary 2, 3, 4 and 5 students will be sitting for their Oral Examinations for English and Mother Tongue Languages on designated HBL days. These in-person assessments enable teachers to accurately evaluate students' pronunciation, fluency, and ability to engage in conversation, which cannot be effectively assessed through written work alone. This also ensures that we continue to support your child's language development in a meaningful way.

Our Secondary 4E and 5NA students will be sitting for their Science Practical Examinations on the designated HBL days. This practical examination provides students with the opportunity to familiarize themselves with examination procedures in an authentic setting. At the same time, it enables teachers to assess their practical competencies and identify areas for improvement, so that targeted support can be provided ahead of the Preliminary Examination.

Please take note of the examination dates in the Calendar of Events for Term 2. Further details and specific instructions will be shared with students closer to the examination date.

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

5. Applied Learning Modules (ApLM@Poly) and (ApLM@ITE) for Sec 3 Students

ApLM are enrichment modules that broaden the learning experiences of students and complement the secondary school curriculum with a focus on the practical application of knowledge. These modules provide our students with applied learning opportunities – learning that involves doing and applying, learning about the real world, and learning for life. ApLM also allows students to discover their interests and strengths and make informed education and career choices. The following are details of the ApLM offered to the students:

Students taking predominantly G2 & G3 Subjects

S/N	Title of ApLM (Poly)	Dates (3 Full Days; 8.30am – 5.00pm)	Venue	Cost
1	Learning Through Outdoor Adventure Activities	22 to 24 June 2026	Republic Polytechnic	\$275
2	Social Etiquette and the Business of Hospitality	22 to 24 June 2026	Republic Polytechnic	\$225

Students taking predominantly G1 Subjects

S/N	Title of ApLM (ITE)	Dates (3 Full Days; 8.30am – 5.00pm)	Venue	Cost
1	Cyber Security	30 March to 1 April 2026	ITE College Central	\$250
2	Creating a 2D Computer Game	30 March to 1 April 2026	ITE College Central	\$225

As the Ministry of Education is bearing the full cost of the ApLM, it is important that all participants achieve at least 75% of attendance to successfully complete the ApLM. Students who fail to meet the minimum attendance requirement will have to bear the full cost of the ApLM. For ApLM(Poly), a consent form will be sent via Parent Gateway in Term 2 Week 3 for selected students. Please visit <https://www.myskillsfuture.gov.sg/content/student/en/aplm.html> for more details.

6. Sec 4/5 Mid-Year Examination & Mother Tongue Language Intensive Programme

To prepare students for their first National Examination on 2 June 2026 (GCE O-Level Mother Tongue Paper 1 and 2), the Mother Tongue Language Department will conduct a Mid-Year Examination and an intensive revision programme in Term 2. These initiatives are designed to help students build confidence and set the appropriate pace as they work towards this important milestone. We strongly encourage parents to support their child's learning, particularly by fostering regular use of the Mother Tongue language through various platforms and daily interactions.

For more information on the upcoming National Exams, please visit the SEAB website: <https://www.seab.gov.sg/gce-o-level/school-candidates/>

7. Education and Career Guidance Programme

This June, our Sec 3 students will immerse themselves in authentic workplace environments through the Student Work Attachment (SWA) Programme. The programme enables students to explore viable education and career options through the provision of accurate and comprehensive information. Through SWA, students gain meaningful industry exposure that helps them develop future-ready skills, inculcate an appreciation for the value of all occupations, and understand how different roles contribute to the smooth functioning of society.

Non-Academic Matters

1. School Policy on use of Mobile Phone

Since the start of the year, the use of mobile phones has been disallowed during school hours. This is in line with the revised guidelines by the Ministry of Education (MOE). Your child/ward is expected to switch off their mobile phone and store it securely in the assigned school handphone locker at the start of each school day, keeping it there throughout school hours including recess time. If your child/ward does not comply, the phone will be kept in the General Office until 4.30pm and can be collected thereafter. Students who are late for school will need to surrender their mobile phones to the General Office. Their mobile phones will be returned after they serve a same day Corrective Work Order after lessons.

This policy supports us in providing a conducive learning environment for all students. We kindly ask for your partnership in discussing the importance of this policy with your child/ward and reminding him/her to comply with this requirement. By working together, we can help our students develop healthy digital habits and maximise their learning potential in a focused learning environment. More details of the School Rules and Regulations are available in the 2026 Student Diary.

2. NRIC Registration Exercise

Immigration & Checkpoints Authority (ICA) has arranged with MOE schools for Citizens and Permanent Residents of Singapore who attain 15 years of age to register for their NRIC in schools, on the year they turn 15. This arrangement will benefit our students significantly in terms of convenience and time saved from travelling and waiting at ICA. The exercise will be conducted on 31 Mar 2026 and more details will be disseminated closer to the date.

3. International Friendship Day (IFD)

The school will be celebrating IFD in Term 2 Week 3 (6 to 10 April 2026). The theme for this year's IFD is "Singapore: Forging Friendships in a Complex World". The rapidly evolving global landscape offers Singapore both opportunities and challenges. International cooperation remains vital for us to address global issues collectively and seize new opportunities. By fostering an appreciation of different cultures and perspectives, students will be better equipped to contribute to a cohesive and globally connected society.

4. Annual Cross Country

Our Annual Cross Country will be held at Admiralty Park on 10 April 2026, with the holding area at Republic Polytechnic's Sports Hall. This venue ensures a safe, well-organised experience for participants and supporters whilst challenging students physically and mentally. This key sporting event promotes holistic development and unity within our school community.

5. HPV Vaccination Exercise for Sec 1 & 2 Female Students

Under the national school-based health programme, HPB offers fully-subsidised HPV vaccinations to eligible Secondary 1 and 2 female students. The vaccination exercise will be conducted on 20 & 21 Apr 2026. Parents' consent will be sought prior to the vaccination and more information will be disseminated when details are available from HPB.

6. CCA Stand down for Sec 4/5 Students

All Secondary 4 and 5 students will conclude their CCA involvement from 12 April 2026. Students participating in current competitions (including National School Games) are permitted to continue their CCA activities until these events finish, at which point they will also end their CCA participation.

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

7. National School Games (NSG) and CCA Camps

Our school's Netball, Badminton and Volleyball teams have successfully concluded their B Division NSG competitions in Term 1. The NSG programme will continue in Term 2 with the C Division competitions.

Several CCAs may organise camps for their members during this period. These CCA experiences provide valuable opportunities for our students to understand the significance of dedicating time and effort towards developing their talents, skills and interests. As students encounter various challenges throughout their journey, they develop the ability to perceive both achievements and obstacles as meaningful learning opportunities that foster personal growth.

CCA activities may continue during the June holidays. However, each CCA will ensure at least one week of complete rest (with no CCA activities) to allow both students and teachers sufficient time to recharge in June. Individual CCAs will distribute separate notices regarding their Camp and June Holiday CCA schedules. Students are strongly encouraged to participate in the holiday training sessions.

8. National Physical Fitness Achievement Award (NAPFA) Test

The following classes will be taking their NAPFA in Term 2 as follows:

Date	Classes
15 May 2026	All students from 4 Empathy, 4 Honour, 4 Diligence, 5 Integrity
18 May 2026	All students from 4 Integrity, 4 Harmony, 4 Respect and 4 Kindness
19 May 2026	All students from 2 Empathy, 2 Honour, 2 Diligence,
26 May 2026	All students from 2 Integrity, 2 Respect, 2 Kindness

Students will be informed of their schedule at a later date. Your child/ward has been reminded to bring along their personal water bottle for hydration. If any student who is unable to participate in the test, he/she is to inform their respective PE teachers by 13 May 2026, with valid documentation (e.g. doctor's memo/medical certificate).

9. Sports Challenge for Sec 1, 2 and 3 students

The Sports Challenge for Sec 1, 2 and 3 cohorts will be organised on 28 May 2026 as an interclass games event, enabling students to apply skills and knowledge from their Physical Education curriculum in a competitive setting. Students will demonstrate determination and resilience whilst integrating game strategies and tactics in a supportive environment alongside classmates.

Beyond physical performance, the event will significantly build team spirit through collaborative work, effective communication, and mutual support towards shared goals. The interclass format will encourage healthy competition whilst maintaining sportsmanship and respect. Ultimately, the Sports Challenge will strengthen class cohesion, promote cooperation, and reinforce positive school spirit, unity, and belonging within the school community.

10. Termly Breakfast Dialogue Session with School Leaders

As part of the school's additional outreach efforts to engage parents / guardians in our education pursuits to nurture the Future-Ready Canberrans, we would like to extend the invitation for you to participate in the Termly Breakfast Dialogue sessions with School Leaders @ Cosmix (Level 3) which

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

will be held on the following dates from 8am to 9.30am (the registration link will be sent nearer the date).

Term 1: 5 February 2026, Thursday, 8am – 9.30am (✓Completed)

Term 2: 22 April 2026, Wednesday, 8am – 9.30am

Term 3: 7 July 2026, Tuesday, 8am – 9.30am

11. Parent Teacher Conference

The Parent Teacher Meeting (PTM) serves as an important platform for parents/guardians to communicate with the Form Teachers and better understand the overall development as well as the well-being of your child/ward. PTM for Sec 1- 5 students and parents will be held on 28 May 2026 in the afternoon and 29 May 2026. More details will be provided nearer to the date.

12. School Attire during the June Holidays

Students are expected to be in proper school attire should they need to report to school during the June holidays. Students who are not in proper school attire will not be allowed into the school.

13. PSG Activities

We warmly invite you to join the Canberra Parent Support Group (PSG) and partner us in supporting your child's secondary school journey. Our PSG is active and plays an important role in Canberra Secondary School's activities, and we deeply value the partnership between parents and the school. Join us and be part of a supportive community making a difference together.

Please sign up using this link: <https://form.gov.sg/6968a51f13157b46dac2086d>

Our PSG invites you to sign up for the events planned in Term 2 shown below:

Date	Programme	Remarks
Bi-Monthly	Parent-Child Bonding session with Badminton Playing More Details will be sent via WhatsApp for PSG members	School Hall/ISH 8.30am-11.30am
Sat, 28 March	Cycling Tour by PSG More Details will be sent via WhatsApp for PSG members	8.30am-1130am
Sat, 25 April Tue, 28 April	Positive Parenting Programme by Care Corner Singapore Topic: Raising Responsible and Competent Teens on Sat, 25 April Topic: Getting Teens Connected on Tue, 28 April Registration: https://go.gov.sg/sec-r4 Closing date for registration for both sessions: 23 April	Virtually via Zoom 9am-11.30am 730pm-9.30pm 
Fri, 15 May	Feel, Connect, Thrive - Mastering Emotion Coaching in Parenthood by Care Corner Singapore Emotion Coaching teaches parents to recognise, understand, and respond to their children's emotions with empathy and support. This approach fosters secure, trusting relationships and helps children develop emotional regulation skills. Registration: https://go.gov.sg/tt-cr1-fflw Closing date for registration: 13 May 2026	Virtually via Zoom 7.30pm-8.30pm 
Sat, 23 May	Hari Raya Baking session	NFS Kitchen 9.am - 12.30pm

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

Date	Programme	Remarks
Thurs, 28 May	PSG End-of-Semester 1 Celebration and Bonding Activity – BBQ!	School BBQ pit
Ongoing	One-to-One Parenting Consultation by Care Corner Singapore A complimentary programme offering four personalised virtual sessions (45 minutes each) to support parents in addressing concerns, strengthening relationships, and improving communication. Check out the introductory video here: https://youtu.be/0uVTF1qiKDg Registration Link: https://forms.office.com/r/JrwqikcUK9	By appointment (Online) 

14. Disclaimer

Photograph(s) or video image(s) of you and your child/ward may be captured during school activities and events such as classroom lessons, CCA, school camps, school concerts. The school may use and publish such photographs and/or video recordings in school publications, website, social media channels, and other communication channels.

If you have any queries, please contact the respective Year Heads on any matters pertaining to the levels.

Year Head (Sec 1 & 2)	Mdm Dianah Binte Abdullah	dianah_abdullah@schools.gov.sg
Year Head (Sec 3, 4 & 5)	Mdm Kumari d/o Nagapan	kumari_nagapan@schools.gov.sg

We look forward to working in partnership with all parents/guardians as we nurture our students to be Future-Ready Canberrans.

Yours faithfully

Mr Leong Kok Kee
Principal

CANBERRA SECONDARY SCHOOL

Our Vision: Nurturing Future-Ready Canberrans
Our G.R.C. Values: Gratitude . Respect . Compassion

Calendar of Events in Term 2

The calendar summarises the key school events and enrichment programmes in Term 2. All key school events and enrichment programmes will be held in school, unless otherwise stated.

☑ : All students of the level							
Term 2	Event/Programme	Date (s)	S1	S2	S3	S4E/5N	S4N/T
Week 1	Hari Raya Puasa (Public Holiday)	23 Mar	Students will report to school on 25 Mar				
Week 1	Home-Based Learning	24 Mar	☑	☑	☑	☑	☑
Week 1	"Start Well" Day	25 Mar	☑	☑	☑	☑	☑
Week 1	Collection of Personal Learning Device (PLD) for Sec 1	25 Mar	☑				
Week 1	Class Leaders Training	26 Mar	☑	☑	☑		
Week 2	Applied Learning Module (ITE College Central)	30 Mar – 1 Apr			☑ 3G1		
Week 2	Sec 3 NRIC Registration	31 Mar			☑		
Week 2	Student Council Training	31 Mar		☑	☑		
Week 2	Course Advising at Nanyang Polytechnic	1 Apr				☑	☑ 4NA
Week 2	Sec 1 Applied Learning Programme (ALP) Session #1	2 Apr	☑				
Week 2	Good Friday (Public Holiday)	3 Apr	Students will report to school on 6 Apr				
Week 3	Sec 3 G2 & G3 MTL Learning Journey #1	6 Apr			☑ G2 ☑ G3		
Week 3	Sec 1 Self-Leadership Programme	7 Apr	☑				
Week 3	Sec 2 EL Oratorical Workshop #1	7 Apr		☑
